

Jamie Oliver 100% Italian Extra Virgin Olive Oil

My favourite extra virgin olive oil has a bit of a peppery kick to it, and it's delicious drizzled over salads, soups, stews and pasta dishes. It's also a great dip for chunks of crusty bread, especially with some balsamic vinegar.

Jamie Oliver Balsamic Vinegar of Modena IGP

This balsamic vinegar is made by aging sweet grape juice in wooden barrels. It's delicious in tomato sauces, and at home we love to drizzle it over cheeses such as mozzarella or Parmigiano Reggiano, or just dunk in crusty bread in it.

Jamie Oliver Everyday Olive Oil

This olive oil is perfect for cooking, meaning you can save your best oil for finishing dishes and dipping bread. It's great for frying or rubbing on meat and fish before grilling or barbecuing.
